

5-7-9 Accent Tap

A

♩=100-160

sizzup

hi hat sizzup

f

hi hat sizzup

crash

B

5-7-9

crash

Notes

*This exercise is modular and can be played several different ways. Separate it by the three different meters and try stringing them together in different sequences (e.g. "7-9-5", "9-5-7", etc.). All sections should be prepared to play all variations independent of other sections
