f

crash

f

straight arm visual every 4 counts start on beat 3

9 choke

forward - wide - up - forward

3

sizzup

right prep step on ct 4

17 feet spread on 1

ff

Note
 Bar 17 to the end is a tag that is only played on the last rep. When rehearsing, play an accented crash on the downbeat of bar 17 and be ready for a four count tapoff to repeat the exercise. When given the last rep signal you will play through the tag and flip down on count 3
